

# Sunday Shooters

Every Sunday afternoon, we're looking for people to share the fun and challenge of skeet shooting. By keeping the groups small, we can provide careful instruction to new shooters, or offer some challenging shooting situations for more experienced outdoorsmen. No matter what your skill level, Sunday Shooters is perfect for you. Check out some of the details below...

**WHO IS THIS FOR?** Shooters of nearly any age and skill level can enjoy these afternoon trips. This is a particularly great chance for new shooters to gain confidence and skill without the pressure of paid instructors and countless onlookers.

**WHAT DO I NEED?** You can bring your own gun and shells, or we can provide them for you. We can also provide hearing protection and skeet. All you really need is \$10 and clothing appropriate for the weather and you're all set.

**WHERE DO YOU GO?** We have permission to shoot on a property in Nunica, just 10 minutes from downtown Grand Haven. With our own vehicle-mounted skeet thrower, it's a perfect setup for an afternoon of fun and shooting.

Sunday shooters isn't just for individuals, it's great for groups like:

- Boy scout groups
- Outdoor Ed Classes
- Hunters Safety Classes
- Birthdays
- Sports Teams
- Youth Groups

**WHAT IS THE COST:** General cost is \$10 per shooter. That includes skeet & shells, use of the thrower, and use of our guns if needed.

Groups book up quickly, so please reserve your space in advance. You may contact us...
